Civic League Rules

(Boys: 9 – 10 years old)

Regulation Little League Baseball rules are generally followed, with a few exceptions:

1. Players may not be allowed to switch teams. The team they are assigned to at the coaches meeting will be the team they will play for the entire season.
2. Absolutely no warm-ups or infield practice may be taken on the infield playing area. All warm-ups must be taken in the outfield area or outside of the ball field.
3. Lineups should be turned in to the scorekeeper **ten (10) minutes prior to game time.** Any players who show up late will be added to the bottom of the order.
4. Games will be six innings. Civic League games will have a sixty (60) minute time limit. No new innings will be started after fifty (55) minutes, unless teams are tied. The scorekeeper is the official timekeeper.
5. Run Rule per inning: Ten (10) runs per inning.
6. Run Rule game:
Fifteen (15) runs after 3 innings
Twelve (12) runs after 4 innings
Ten (10) runs after 5 innings
7. A pitching machine will be used in this league.
 1. Civic League Speed: 43 mph.
8. Each player must play a minimum of every other inning in the field. Each team is allowed ten (10) players on the field for defense. This consists of 6 infielders and 4 outfielders. Players must be in their areas before the play can begin.
9. All teams must bat their entire roster. Every player that is at the game to play will be included in the lineup whether they are in the field or not. Players taken out of the game may re-enter in any position, but the same batting order will be kept the entire game unless someone is injured and cannot continue. ** The Park Department encourages coaches to give all players a chance to experience different positions. **
10. When a batted ball hits the pitching machine, a dead ball will be called and the batter will be awarded first base. Each runner will advance one base on the play.

11. Helmets must be worn at all times by players at bat, on base or on deck. Any player that stands in the coach's box must also wear a helmet.
12. A team must have eight (8) players to start a game. One out will be given for one of the missing players at bat. If your team starts with nine (9) players there is no out. The official scorekeeper will place the out at the end of the batting order. If a player arrives late, they will be inserted into that position in the batting order on completion of the inning. If a team does not have eight (8) at game time, the game will be considered a forfeit, with the official score being 7-0. A scrimmage game may be played (unless it is the last game of the evening) until fifteen (15) minutes prior to the next game starting.
13. Play is considered dead when all runners have stopped advancing. The umpire will be the only person who can call or grant timeout to any team. This will be done when two things have occurred: 1) an infielder has possession of the ball AND 2) ALL runners have ceased to advance. The umpires will signal a time out, based on their judgment of the two previously mentioned occurrences.
14. Only one time out per inning will be allowed.
15. No metal spikes will be allowed.
16. Coaches are NOT allowed behind the catcher's area or backstop. Coaches may coach from inside their own dugout or in the coach's boxes beside first and third bases. Only ONE coach will be allowed outside the dugout area in the playing area while their team is on defense. This person must be against the fence in the grass area.
17. There is no stealing in the Civic League. A courtesy runner can be utilized for the catcher once the catcher has reached first base. A team will utilize the player that made the last out for their respective team. If in the first inning, and no outs have been recorded, the last player on the lineup card will run for the catcher. If any other situation exists, the umpire will make the final decision.
18. Slide Rule: When a play is being made at a base, the runner must 1) attempt to avoid contact with the fielder; or 2) if contact is made, they must be attempting to slide into the base along the baseline. Based on the umpire's judgment, a player may be called out for not sliding or un-sportsmanlike conduct. Also, a player cannot block a base without possession of the ball. If this happens, the runner will be awarded the base.
19. If a coach or assistant gets thrown out of a game, they are also out for the next scheduled game.
20. Batting out of order: A batter shall be called out on appeal when failing to bat in proper turn and another batter completes a time at bat in place of the proper batter. The appeal must be made before the first pitch to the next batter. When an improper batter becomes a runner or is put out and a pitch is made to the next batter of either team before an appeal is made, the improper batter becomes the proper batter and the results of such time at bat become legal for that bat. The batting order will not be changed. Therefore, the next time those batters come to bat again they should be in the same order as before the

improper batting took place. If coaches have questions they should always check with the official scorekeeper.

21. Any bat is legal.
22. In the matter of the heat index: Heat index will be monitored, games may be pushed back. The league supervisor will notify the coach if games get moved.
23. Any new player must be signed up 3 weeks prior to tournament. No one will be allowed to sign up after date is set.
24. Once tournament dates are set, there will be no changing dates.
